

Selva Gardena

Wolkenstein 1563 m

SELVA GARDENA,

ai piedi dell'imponente Gruppo Sella e del Sassolungo, è il centro sciistico per eccellenza in Val Gardena e in Alto Adige. Numerosi impianti collegano direttamente fra loro le aree sciistiche della valle, nonché delle valli limitrofe, attraverso la famosa "Sellaronda". In estate lo svago nella natura non ha confini. Invitanti camminate, escursioni con bellissimi itinerari, arrampicate sulle leggendarie rocce..., e perché no, anche il "dolce far niente". Tutto questo è Selva nel superbo scenario dolomitico.

WOLKENSTEIN,

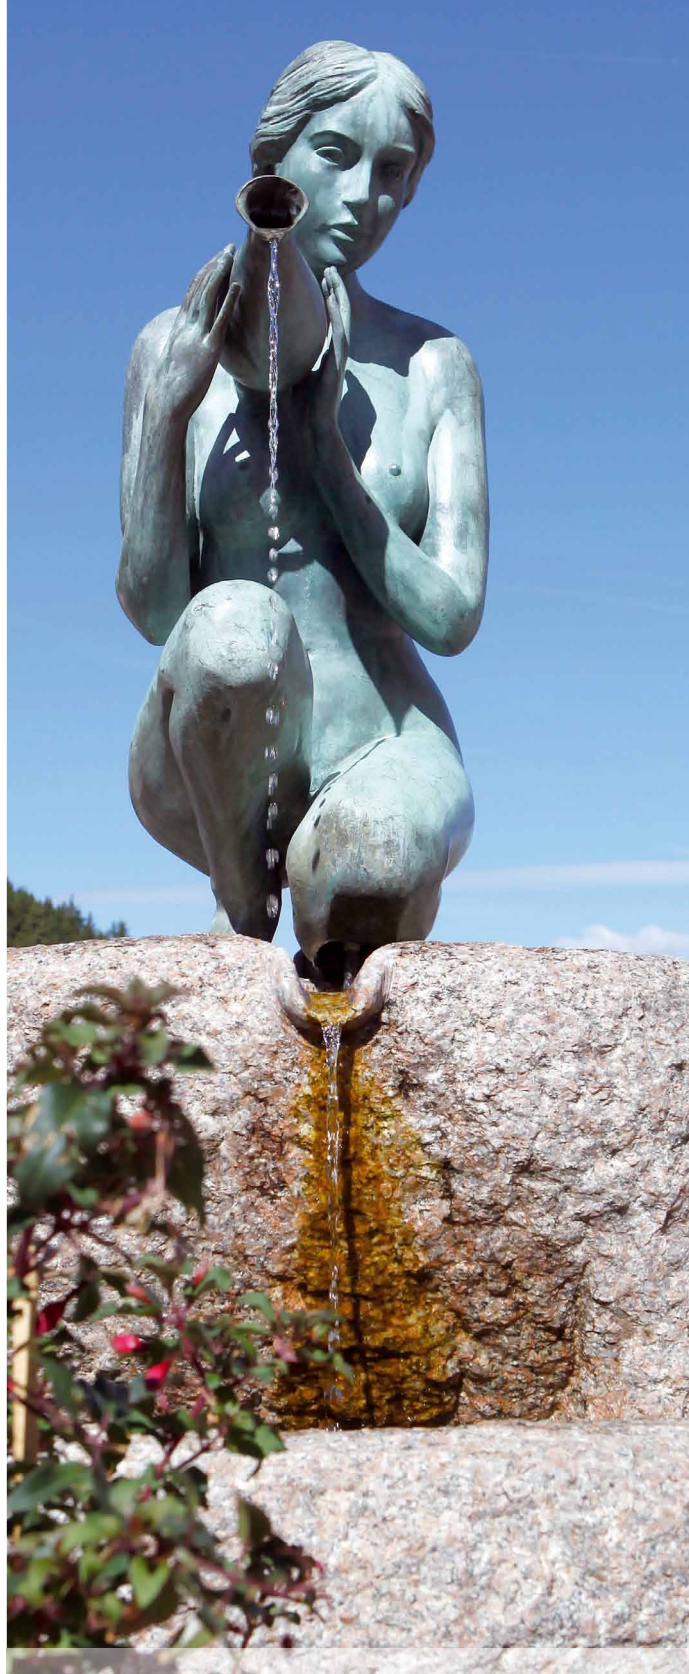

zu Füßen der imposanten Sellagruppe und des Langkofels, ist die Skihochburg Nummer Eins in Gröden und Südtirol allgemein. Die vielen Liftanlagen verbinden miteinander die Skigebiete des Tales und sind gleichzeitig Startpunkt der berühmten „Sellaronda“. Im Sommer liegt Wolkenstein ganz im Trend „Natur-Pur“. Einladende Spazierwege, wunderschöne Bergtouren, aufregende Kletterrouten und warum nicht? – einfach relaxen und entspannen. Dies alles umgeben von einer einzigartigen Bergkulisse der Dolomiten.

SELVA GARDENA,

located at the foot of the magnificent Sella group and the Sassolungo, is the number one skiing paradise in Val Gardena and South Tyrol. The various lift facilities of the valley's different ski resorts are connected to each other and are the starting point of the famous "Sellaronda". In summer, Selva is extremely popular due to its trend towards "pure nature". Inviting walking routes, beautiful mountain trails, breath-taking climbing routes and – why not – simply relaxation and rest. This all with the unique Dolomite mountains as a backdrop.

SCIARE CON GUSTO IN ALTA BADIA

La stagione invernale in Alta Badia, nel cuore delle Dolomiti – Patrimonio Naturale dell'Umanità UNESCO - si svolge all'insegna di "Sciare con gusto". L'iniziativa, la cui base è data dalla qualità dei prodotti locali Südtirol, vuole potenziare e valorizzare maggiormente il connubio vincente tra sci e gastronomia. Fanno parte dell'offerta i piatti stellati in rifugio, la Chef's Cup Südtirol, la "Colazione tra le vette", le cene in rifugio, il Gourmet Skitour Rifugi&Sapori e i corsi di cucina ladina.

SKIFAHREN MIT GENUSS IN ALTA BADIA

Wo kann das neue Angebot „Sciare con Gusto“, das Genuss-Skifahren, besser angesiedelt sein als im Herzen der Dolomiten im neuen UNESCO Weltnaturerbe. Ski und Gastronomie, in Alta Badia, eine bewährte und erfolgreiche Kombination, basieren auf hochwertigen Südtiroler Zutaten und bieten neue Qualitäten und Geschmackserlebnisse. Die Sternenküche in den Skihütten, der Chef's Cup Südtirol, das Frühstück mit Pulverschnee, Dinner in der Hütte, die Gourmet Skitour Rifugi & Sapori und traditionell Ladinische Kochkurse entführen in die alpine Genusswelt der Südtiroler Dolomiten.

A TASTE FOR SKIING IN ALTA BADIA

The winter season in Alta Badia, in the heart of the Dolomites, a UNESCO Natural World Heritage Site, is taking place under the banner of 'A Taste for Skiing'. This initiative, centered around the quality of local South Tyrol produce, aims to develop and build further on the winning partnership of ski and gastronomy. Included in this promotion are the starred dishes offered at mountain shelters, the Chef's Cup Südtirol, the "Breakfast with Powder Snow", dinners in the mountain huts, the Gourmet Skitour Santa Croce, and Ladin cookery courses.
