

A stylized mountain range logo in shades of brown and tan. The mountains are represented by simple geometric shapes. A grey trapezoidal shape is positioned on the left side of the range, containing the word 'Dolomites' in a white script font. Below it, a red trapezoidal shape contains the text 'Val Gardena' in a white sans-serif font. At the bottom of the mountain range, the website address 'DOLOMITESALPINE.IT' is written in a large, bold, dark brown sans-serif font. A solid dark brown horizontal bar runs along the very bottom of the image.
